\$25 (General)

He is an artiste with a crystal clear vision, assuring the artistic community of a very bright future for our rich heritage.

**Nandini Ramani, The Hindu**

**Benefiting**  **IMHO**

*(International Medical Health Organization)*

Another crisis affecting the well being of Sri Lanka's civilians has been a significant escalation of the war since 2007, resulting in mass internal displacement. An estimated 300,000 people have fled the war zones to seek safety, but they are faced with the new problems of inadequate housing, food, water, and medical resources. IMHO is working hard through its partnerships with grassroots organizations to send relief supplies during this time of great need.
